Charlotte Sharp Children's Center (CSCC) CSCC Personnel Handbook

WELCOME TO THE CHARLOTTE SHARP CHILDREN'S CENTER

Our goal for working together at the Charlotte Sharp Children's Center (CSCC) is to establish positive relationships with children and their caregivers, and the Texas A&M University faculty, staff, students, educators and agencies, and volunteers. The purpose is to provide high quality learning experiences in socially, emotionally, and physically safe classroom communities. Our teaching and practice activities engage adults and children in learning activities that develop social-emotional skills and supportive relationships, competencies as thoughtful decision-makers, and confidence as skillful learners.

Charlotte Sharp Children's Center, LLC, is a Texas limited liability corporation operating as a preschool and childcare that is licensed by the Texas Department of Health and Human Services (HHS). A copy of CSCC's license for operation and other inspection reports are posted in the front office along with all current inspection reports. Additional information about CSCC is available on our website, www.tamuclc.com.

This handbook describes CSCC's personnel policies and procedures.

The handbook does not include every employee expectation or responsibility.

Changes will occur over time and as state guidelines for childcare and employment are revised.

All employees will be notified in writing about any changes that are made to this handbook.

WELCOME TO CSCC

The following personnel guidelines, policies and procedures have been established three essential components for a successful professional environment: trust, teamwork and cooperation. The information in this handbook clarifies expectations for CSCC employees and their performance. Changes are likely to occur over time. Employees will be notified of changes and have access to current information.

This handbook is not a legal binding agreement, contract or commitment for any employment at CSCC. The CSCC Personnel Handbook provides information to persons who may be employed by CSCC as full-time or part-time administrators or instructional staff, and who may participate as faculty and staff, college students, and/or volunteers and visitors.

The intent is to identify and clarify expectations for performance, define benefits where they apply, and to ensure compliance with all state laws and licensing regulations for childcare. The personnel handbook is not comprehensive and it does not include every job requirement and responsibility that may be expected of or performed by a CSCC employee.

The content included in the CSCC Personnel Handbook informs all persons regarding CSCC policies and procedures for maintaining professional and personal relationships with adults and children. Understanding expectations presented in this handbook will help us work together as a team and achieve three CSCC missions.

- **CSCC behavioral mission** is to help children acquire socially acceptable and age-appropriate skills for managing emotions and behaviors, and communicating respectfully with adults and children. CSCC employees will model, teach, and practice ways for adults and children to cooperate by sharing space and materials, and to respectfully communicate and make responsible choices.
- **CSCC educational mission** is to develop children's foundational skills for listening, speaking, thinking, and reasoning so they become competent and confident learners. Our daily activities are designed to enhance growth in all developmental areas: language and literacy, numeracy/mathematics, science and social studies, physical health, and fine arts. Children participate in age-appropriate instruction and play-based activities.
- **CSCC community mission seeks** to become a collaborative resource for adults working with young children. CSCC will provide professional development and support for parents, caregivers, local and state childcare providers, teachers and administrators, faculty and staff at TAMU, and TAMU students pursuing careers in childcare and family support services, and senior citizens who are willing to share their time, wisdom and kindness to guide others.

Commitment to Families and Children

The CSCC staff is committed to providing high quality learning experiences and childcare for families and children. CSCC employees and volunteers will work collaboratively to ensure similar and diverse similar needs are addressed and all family preferences and cultures are honored and respected. More information about CSCC is included on the school website, www.CSCCprek.com. HOURS OF OPERATION, TUITION, AND FEES

Licensed Hours of Operation **7:15 - 6:00 pm, Monday–Friday, full day**
8:00 - 11:30 am, Monday-Friday, half day

CSCC is open 12 months of the year except for holidays or inclement weather days. School closures for inclement weather and holidays will follow Texas A&M University and local school district closures.

Monthly Tuition

Tuition for preschool is paid monthly using a software program, ProCare. Once a child is enrolled and attending CSCC, a ProCare account is created by our CSCC Office Administrator. Parents are notified by email that an account was created and steps for setting up a private password and method of payment are included in email. Questions about tuition and payments should be sent to this address: CSCCprek@gmail.com.

- Monthly tuition cost for one child attending full-day is \$775.00.
- Half-day tuition is \$450/month. Students may arrive and depart between 7:30 am - 11:30 am.
- Tuition is due on the first day of each month.
- Tuition is prorated from the date a student attends CSCC until the end of the month. **There are no prorations if a student departs from CSCC before the end of a month.**
- Monthly tuition paid later than the first day of each month will result in a \$10.00 per day late fee.
- Late fees must be paid immediately or services at CSCC will be suspended.
- There will be a \$25.00 fee for any check or payment that is invalid.
- **Tuition is NOT prorated or reduced due to absences, holidays, inclement weather, vacations, or sickness because our expenses for staff, rent, and utilities remain the same.**

Supply Fees

Supply fees are due on the first day of each month that begins a new semester: August, January, and June. Supply fee cost is \$75.00 per child. Parents receive a list of materials purchased with supply fees.

Late Pick-Up Fees

CSCC is a state licensed child care facility that is approved and insured for operations from 7:15 am until 6:00 pm on Monday-Friday. CSCC's insurance provides coverage during hours of operation only. Therefore, late fees will be assessed to ensure compliance with state regulations. Late fees are \$1.00/minute for first 5 minutes and \$5.00/minute after 6:05 pm. Failure to honor hours of operation will result in discontinued services.

HOLIDAYS AND SCHOOL CLOSURES

CSCC is open on Monday-Friday from January through December except for designated holidays and school closings due to inclement weather. **There are no reductions in tuition for school closures due to holidays, inclement weather, illnesses or family vacations or early withdrawals.** Monthly CSCC financial obligations and expenses, including staff salaries, must be maintained regardless of changes in family planning.

Scheduled school closures include holidays and staff development days (training required by state licensing). **Copies of scheduled school closings are included in the handbooks and accessible on the CSCC website, www.CSCCprek.com, under the tab, RESOURCES.**

CSCC employees will earn the same rate of pay noted in their employment agreement. No personal or vacations days may be carried over year-to-year. **Full-time employees AFTER working 12 consecutive months will earn pay for:**

- CSCC holidays each year (usually 13-15 days depending on calendar year)
- 5 personal days that may be used for illness or personal time away from work
- Absences from work are arranged by submitting a Leave of Absence Request Form at least **2 weeks in advance** of date away from work

Compensations for holidays or personal or sick days are dependent upon an employee reporting to work as regularly scheduled for 40 hours per week. Compensations for days off related to holidays, inclement weather or sick or personal days may be adjusted or discontinued if the employee does not consistently work 40 hours per week as scheduled or employee is frequently absence from work.

Employee Payroll Policies and Procedures

CSCC distributes compensation for wages earned as payroll that is paid bi-monthly, or every two weeks. Wages earned and salaries will be agreed upon with the employee and Executive Director prior to beginning employment at CSCC. Conditions impacting compensation are as follows.

- Salaried employees are professionals that are expected to work a minimum of 8.5 hours each day that includes sufficient hours to accomplish expectations. There are no compensatory earnings for time worked beyond a scheduled and agreed-upon work week unless agreed-upon with Executive Director.
- All employees, including substitutes, must record their hours worked by signing in and out upon arrival and departure each day. Earnings reflect the number of hours worked for the hourly wage agreed upon when employed at CSCC.

- All employee payrolls will be distributed either electronically by automatic deposit on a bi-monthly schedule. Payments will be made on the 1st and 16th of each month.
- Earnings may be directly deposited into an employee's assigned payroll preference on the 1st and 16th of each month. Employees must submit paperwork to Director for auto-deposit payments.
- Pay dates may be subject to change depending on holidays or closings that interfere with the normal pay schedule. If a payroll date falls on a holiday or school closure, payroll will be distributed on the first working day post the holiday or school closure.

Payroll Deductions

Employee compensation or pay is subject to all deductions required by law, federal tax, social security payment, and state and local income taxes, as applicable.

- The amount of the payroll deductions depends on each employee's earnings and on the information he/she provides on a W-4 form regarding the number of exemptions claimed.
- Employees must notify the Director and complete a new W4 if modifications are needed
- By law Social Security and income taxes are deducted from each employee's earnings up to a specific limit that is called the Social Security "Wage Base".
- CSCC matches the amount of Social Security taxes paid by each employee.
- Questions about pay or deductions should be discussed only with the Executive Director.

REQUEST FOR LEAVE OF ABSENCE

Requests should be made in advance for foreseeable events as soon as possible. Completed forms requesting a leave of absence from work must be submitted to Director. A copy of the form for requesting a leave of absence is included in this handbook. Additional forms are available in the office.

- Requests for not reporting to work as scheduled must be made in writing using the Leave of Absence Request Form provided by CSCC.
- Except in an emergency, a completed Leave of Absence Request Form must be submitted to the Executive Director at least 10 days in advance of the dates requesting leave.
- A Leave of Absence Form is considered APPROVED after the employee receives a signed copy of the request from the Executive Director.
- Excessive requests for a leave of absence may lead to changes in an employee's assigned work schedule or termination of employment (except for emergency situations that involve primary family members, i.e., spouse or child).
- A copy of the Leave of Absence form will be included in the employee's personnel record.
- When employees request time away from work it is preferred that the date/time aligns with dates and times when fewer children are attending CSCC such as summer breaks or days prior to holidays when fewer children attend CSCC.

Obtaining Approval for Leave of Absence

It is the responsibility of each CSCC employee to notify the Executive Director and/or Director ASAP when employee determines he/she will not report for work as scheduled. Employee must call the Director and send a text message ASAP and BEFORE time to report to work.

Failure to report personally about a delay in arrival or an absence will be documented in the employee's personnel file. Calls or messages from friends or relatives on the employee's behalf will not be accepted as an authorized notice of delay or absence.

Employees should not report for work when they are too ill to perform duties or their illness is contagious. These procedures apply to all employees when too ill to perform duties at work.

- Absences due to illness of self or child, or a family emergency must be reported to the Director ASAP and at least one hour before the employee is scheduled to report to work. Leaving an email or text message is not acceptable as a report for a leave of absence. Employee must personally talk directly with a Director. If a Director is unavailable, employee must notify a Lead Teacher that works in same classroom.
- Opening staff members are required to call the Director the day before or evening prior if you anticipate missing work or potentially are feeling too ill to report to work.
- Employees must report the reason for not reporting to work as scheduled and may be required to provide a medical statement regarding illness and time away from work.
- Employees must complete a Request for Leave of Absence Form and submit to the Director for any absence from work, including an illness or emergency related to primary family member (spouse, child).
- The Executive Director will sign the Request for Leave of Absence form and return a copy to the employee. A copy of the form will be placed in the employee's personnel file in the office.
- Permission to be absent from work is provided WHEN an employee receives a copy of the signed Leave of Absence Form unless there is an emergency. Copies of all CSCC forms are available in the office.
- Except in an emergency, an employee who is absent from work but failed to follow the CSCC procedures for reporting absence, will be considered to have abandoned his/her job.
- CSCC employees may be required to submit evidence verifying the reason for reporting late to work or for any absence from work. Failure to provide the requested documentation may result in a reduction of pay and/or potential termination from employment.
- All time periods for reporting to work, leaving work, and absences will be monitored and recorded. Excessive absences or patterns of tardiness or absence from work will be discussed with the employee and a Director and could become grounds for termination of employment.

- CSCC does not grant extended unpaid time off requests for non-medical or non-emergency or personal-choice reasons. Employees must terminate their employment to be removed from the regular work schedule for a period of time for non-medical or non-emergency reasons or problems related to personal issues.
- Failure to follow CSCC policies for reporting or requesting time away from work may lead to a reduction in compensation, a change of assignment, or termination from employment.

Medical and Emergency Leave Of Absence

If emergency circumstances occur or are necessary, for medical or personal reasons, an employee may request to be temporarily released from regular work responsibilities and hours. Eligible full-time employees who have worked at CSCC for one year may apply for a specific emergency leave of absence without pay and a designated time period not to exceed 2 weeks. Due to staffing requirements set forth by the state and the need for a qualified or certified adult in a classroom, a replacement may be hired for the full-time employee position. Failure to return to work as scheduled from an approved leave of absence or to inform the Director in writing of an acceptable reason for not returning to work as scheduled will be considered a voluntary resignation of employment.
