HOLIDAYS AND SCHOOL CLOSURES

CSCC is open on Monday-Friday from January through December except for designated holidays and school closings due to inclement weather. **There are no reductions in tuition for school closures due to holidays, inclement weather, illnesses or family vacations because our costs remain the same.**

School closures include holidays and staff development days (training required by state licensing). Copies of our school closings are sent home at the beginning of the year and they are also posted in the office.

Announcements about school closings due to inclement weather will be made on local television stations.
